## A word from Rev Canon Philip Bromiley, our Team Rector.

*O little town of Bethlehem, how still we see thee lie!  
Above thy deep and dreamless sleep, the silent stars go by.*

The American Priest, Phillips Brooks of Philadelphia, wrote these words in 1868, following a pilgrimage to the Holy Land. Lying some 6 miles south of Jerusalem, within the West Bank, Bethlehem is not so little. It now has a population of nearly 200,000 people. Bethlehem is part of Israel, but administered by the Palestinian Authority.

Dominating Bethlehem today is a 12 ft high wall around its perimeter. For those on one side, the wall is a 'security barrier', representing an 80% fall in suicide bombings in Jerusalem. For those on the other side, including the 40% of the population that are Christian, the wall is a 'wall of oppression', preventing Palestinians seeing family, friends and finding work.

The Wall is a graphic illustration of a timeless truth: sin leads to Separation. It always has done. Bad choices separate us from God and bad choices distance us also from other people. Do we sense a barrier between ourselves and God? Do we know of relationships in need of reconciliation? Jesus came to break barriers down.

Do you remember Fred Dibnah? He was a Lancastrian Steeplejack who demolished chimneys. His technique was never to use dynamite, as it was too unpredictable, instead he used traditional methods of destabilising chimneys by setting fire to wooden blocks, propped up next to the one side of the structure. His catch phrase, as the chimney would come crashing down yards away from him, was "Do yer like that?"

Often we pray that God will break barriers in our relationships down instantly - but it may be that we need the gentle, steady warmth of carefully directed prayer to destabilise hostility. The Peace Child given to us 2000 years ago still has the power to break down walls. The tiny baby is God's mechanism for bringing us together, the world forgiveness, and every human heart, a lasting peace.

Rev Canon Philip Bromiley

## **Netheravon Parish Council News from November meeting**

Cllr Burke welcomed everyone to the meeting and thanked the Speed watch team for their continued efforts and for having a meeting with the Wiltshire Councillor. Chairman said a special shout out should go to all those involved in raising so much money for good causes recently. This includes Cheerful Cuppa donating £300 to Wiltshire and Bath Air Ambulance, and £400 to Royal British Legion for their poppy appeal. The sponsored head shave by the Chairman of the Netheravon Working Mans club raising an amazing £1560 for The Stars Appeal, and the coffee mornings held by the Coffee Club at the Working Mans Club raising £680 for the Breast Cancer charity.

This has all been in just a few weeks and has been a remarkable effort, with a curry lunch and auction also to be held in the club on Remembrance Sunday in aid of Royal British Legion.

### **REPORT BY WILTSHIRE COUNCILLOR**

Ian Blair-Pilling Wiltshire Councillor for Avon Valley reported on:

- The progress being achieved in Enford to improve their flood prevention.
- Invitation to Avon Valley parish council representatives to a meeting at Enford Village Hall on 20 Nov at 6pm to discuss issues and initiatives that parishes may wish to collaborate on between themselves and with Stonehenge Area Board.
- Reminder of next Stonehenge Area Board meeting at Antrobus House on 27 Nov at 6.30pm
- Netheravon Parish Council's response to the Wiltshire Council report on the A345 Speed Reduction Trial.
- The submission of comments (deadline 25 Nov) regarding the appeal process, for the refused permitted development application made for the land adjacent to at High View Farm (aka Mink Farm)

### **Police Report**

Received late and sent out.

### **PUBLIC QUESTION TIME**

Two members of the public raised concerns regarding people walking out of Netheravon, on the A345 up the Hill to West/East Court, the camp, and Harefield Crescent, with no footpath in place. Discussion centered on who's responsibility it was. It is something out of Parish Councils hands. Wiltshire Councillor Ian Blair-Pilling's details have been given out for the members of public to contact and take forward.

### **25/55 COMMITTEE REPORTS**

1. **Planning** – Since the last Parish Council meeting there have been 2 new items for the planning committee to consider.

PL 2025 05825 – Highview Farm Buildings – Appeal Reference 6001123 - Wiltshire Council (the Planning Authority) refused permission on 1/9/25. This was appealed by the applicant on 21/10/25. NPC discussed its response at the meeting on 6/11/25 to be submitted to the Planning Inspectorate by 25/11/2025.

PL/2025/08314 – Land Near the Stables – Tree works in Conservation area. As work required was for safety and on the “field” side of the driveway to The Stables and not impacting the A345 NPC planning committee approved this application.

*Netheravon  
Parish Council*

2. **Flooding & Adverse Weather**— It has been noticed that they have been working on the drains at the bottom of the High Street, this is surveying ready for the road to be re-surfaced next year. Flooding at Staggs lane, Vice Chair will speak to the homeowner, as Parish Steward not happy to remove the sandbags, as not council property.
3. **Highways plus Parish Steward**– Cllr Covil had arranged for the Parish Steward to sweep around the War Memorial before the Remembrance service.
4. **Cemetery /enhancement /Netheravon in bloom** – Cllr Brown has been in contact with the Commonwealth Graves commission regarding improving the graves. There was money available, but this wasn't taken forward and now it would be too costly.
5. **Recreation**- The ROSPA reports are now back. Chair and Clerk to have a meeting to outline the areas that need to be actioned soonest and send to the council. **Old School Close** – Clerk read out the responses received from the residents of the immediate area, which are mixed between a quiet area and restoring the toddler's area. It was agreed to have a separate public meeting to discuss the options available. This will probably be 15<sup>th</sup> January in the Phoenix Hall at 6 pm if its available. In the meantime, Clerk and Chair to have a walk round and photograph the amenities we have, as it is thought that not all residents are aware of what we have. i.e. Toddlers play area in Court Farm Close. It was also suggested that putting some swings into Millenium Park would be beneficial.
6. **Community Allotment and Community Larder.** It was agreed to donate some money from the Parish Council to help keep the larder stocked. Clerk to oversee with the volunteers.
7. **Rights of way:** Nothing to report, apart from adding some money to the budget for upkeep of the new footpath that is now in our boundary.

**Representatives on other groups:**

- a) **Phoenix Hall** - No report this month due to holiday.
- b) **Jubilee Committee** – Nothing to report, except for a request for a village bonfire party has been advised to get hold of the Jubilee committee.
- c) **Stonehenge Area Board** Next meeting at Shrewton 27<sup>th</sup> November at 630pm. Cllr Blair Pilling mentioned a meeting on the 20<sup>th</sup> November at Enford Hall to get all the Council Chairs together.
- d) **All school liaison** – Cllr Bridewell had a meeting with the school and announced that he is now Chair of Governors of All Saints School. He will be taking the children to lay poppies at the Churchyard and cemetery on Friday 7<sup>th</sup> November.
- e) **Netheravon Speed watch Group** – Cllr Coslett to send an amended letter to Clerk for Chairman to send to Wiltshire Highways regarding the Netheravon Speed report.
- f) **Newsletters** – All the old newsletters have been collected and stored at RGV. We have asked if we can have a shelf in the library to store them on. Two residents have offered to come forward and scan them for us.
- g) **Netheravon Speed watch Group** – Report was discussed at the Local Highways Footpath Improvement Group and it was agreed that the council will write a response to the Cabinet member.
- h) **Newsletter** – Funds are looking healthy now, with advertisers paying recently. We have also had a donation of £85 from the charity bingo event that is run in the village, of which we are most grateful.

## Fittleton cum Haxton Parish Council

The recent meeting of Fittleton cum Haxton Parish Council took place at Phoenix Hall Netheravon on the 11<sup>th</sup> November.

We are pleased to have voted Julian Lamont into a seat on our Parish Council. With a wealth of local knowledge we are looking forward to him joining us and becoming an asset to our parish.

To update our Maple tree which is due to be felled is under a Tree Preservation Order, the committee have all agreed they would like a replacement to be planted to grow for future generations to enjoy. We are sad to see it go but Wiltshire Council have deemed it unsafe. We still have no official date for it's removal as it has passed the original September date but plan to consult with the Highways team on its replacement.

We still have 2 available allotments within our parish. We would love someone who has "green fingers" to take them on. Please do get in touch for further details.

Fittleton cum Haxton Parish Council's next meeting is on 13<sup>th</sup> January at 7.00, at Phoenix Hall Netheravon. Everyone is welcome to come to the meeting. If you have any questions, please send them, in advance, to [clerkfittletonhaxton@gmail.com](mailto:clerkfittletonhaxton@gmail.com)

If you would like to catch up with all things regarding Fittleton cum Haxton Parish Council, the website address is <https://www.fittletoncumhaxton.co.uk>. Don't forget that you can also keep up with information by checking out the parish notice boards. There is one opposite The Pound, Haxton, near the junction with Lower Street. The other notice board is near church path, Fittleton, on the wall of Fittleton Manor.

**Avon Motor Company**

has been set up by Mark Francis after more than 35 years buying and selling cars in the Salisbury area. Having been employed to run a busy used car dealer locally for the last 26 years, the time came to set up on his own using the experience and customer goodwill he has gained over this time.

Avon Motor Company are based on Bulford Road in Durrington, close to both Salisbury and Andover, a few minutes off the A303 and very near to the army camps in Bulford, Larkhill and Tidworth. Based on a site owned by

Rangers Garage, a very long established family run business and with car preparation and MOT testing carried out through their workshops, Avon Motor Company are able to offer first class preparation and after sales backup.

All our cars come serviced prior and include a 12 month MOT certificate, 12 month AA breakdown cover along with a 6 month AA warranty which allows authorised repairs to be undertaken nationwide, giving our customers the confidence that should the unexpected happen, issues can be dealt with in a professional manner.

Warranty extensions are also available.
