Thank you for recent donations,
they are most welcome.

A word from Rev Canon Philip Bromiley, Team Rector.

Halloween and All Saints

The name “Halloween” is a Christian word meaning, “the eve of All Hallows” (the eve of All Saints), but that is the only Christian element in it. In Pagan tradition, it is believed that after sunset on Samhain, the spirits of the dead and evil spirits roamed the skies seeking to harm humans, especially if the dead had been harmed by them. For protection, people disguised themselves by dressing up in costumes and carrying lights inside turnips (not pumpkins). The Christian Church did what it does best: it turned a pagan feast into a Christian one. The Church adopted 1st November as the feast of All Saints and celebrations began the day before. If you look around the shops at the moment, you’ll probably notice that “All Saints” has very little to do with the merchandising.

When my daughter Rosie was three, she asked me a very pertinent question as we did our shopping in Sainsbury’s. “What’s all these scary faces for?” (We were walking past a row of masks, pumpkins, skulls, blood, gore, you name it). She was genuinely afraid and upset by them. It made me think too... Does society really need more fear? Scripture says, “perfect love casts out all fear.” I don’t know if you get “trick or treaters”, but perhaps you could remind the children that love is far better than fear... our world needs more of it.

When I remember the departed, I remember those who have gone before us, living lives of love and now enjoying the presence of God in heaven, bathed in light and love. As we approach too Remembrance Sunday, we call the Scripture, “Greater love, has no one than this, to lay down his life for his friends”.

Rev Canon Philip Bromiley

NETHERAVON ALL SAINTS LEAD ROOF THEFT – UPDATE 1

Villagers will be aware that on the night of 29/30 Sep, a quantity of lead was stolen from the church roof. This update aims to keep people informed as to what is happening about it as we progress towards getting it repaired. The PCC is now waiting for an architect to do a survey of the damage. He will produce a detailed specification for the repair works and this specification will be used to get quotes from specialist roofers. The PCC is investigating the option of replacing the lead with a type of stainless steel called Terne-coated stainless – this looks almost identical, will last longer than lead, and is not attractive to thieves. This would likely need planning permission before proceeding. At the quotes stage we will know the scale of the financial challenge and will be launching a fundraising campaign in order to raise money. The Church Christmas Fayre on the 12th December will be part of this effort. Concurrently a 'Faculty' (a Church of England authorisation process for works to historic church buildings), will be submitted, and investigation commenced into any available grants. One of the roofers will be engaged once the money is in place and the Faculty approved.

This process is likely to take several months. Anyone able to help with fundraising ideas and the running of activities is urged to get in touch, and in the meantime if anyone would like to donate money to this cause, the church bank account is as follows:

Account Name: PCC Netheravon NTHC

Sort Code: 30-92-63

Account Number: 02567505

Please annotate any donations as 'Roof appeal' and the money will be ringfenced for this purpose. Thank you in advance and the PCC will keep the village updated as progress is made.

Curry Lunch in Working Mens Club

Netheravon Parish Council News from Council meeting 8th October 2026

WELCOME BY CHAIRMAN

Cllr Burke welcomed everyone to the meeting, and thanked Cllr Coslett for taking down the Hanging Baskets.

PUBLIC QUESTIONS – A member of public brought to the council the proposal to have the Christmas tree switch on and carols, hot chocolate etc. on the 4th December to “kick off” a weekend of events to try and raise some money for the Pembroke Suite at Salisbury District Hospital plus bring the community together. Events include the scarecrow trail on the 5th and 6th December, a craft show in “Furnies” on the 6th, with a Christmas Craft event and bingo already planned for the 5th in the Village Hall. It was discussed and the council asked some questions. Clerk has found out that the tree can be delivered on the 27th November, (not sure of price yet). It was agreed to get a working party together to put the tree up, a few days before the 4th. MOP to contact a family member to help dig a hole to make the Christmas tree more stable. Clerk will write to the residents of Old School Close and the flats in the High Street informing them of the event and a voluntary road closure between 5-7 on the 5th. Council to provide High Visibility vests etc. Organisers to send a plan of event.

Planning - Since the last Parish Council meeting there have been 0 items for the planning committee to attend to.

PL-2026-04958 concerning 3 Harefield Crescent – has been approved by Wiltshire Council.

Updated standing orders were approved at the October Parish Council Meeting.

Highways plus Parish Steward– Clerk investigated the request for a 20-mph speed limit to be put in place in Mill Road and was sent the new policy from the council. It would cost approx. £10000-£15000 and would involve speed assessments before it could be agreed. Council agreed to try and make the jump park entrance and exit safer for users and put up a gate to stop the cyclists from going straight into the road.

Cemetery /Enhancement /Netheravon in bloom- Cemetery rules updated and agreed by the council. Clerk to ask the Handyman to make some concrete R blocks to put on Reserved graves, cost of these could be added to the price of reserving a grave. Hanging baskets now down and as we have quite a few now it was agreed that as part of Netheravon in Bloom next year we could give residents a hanging basket and they could plant their own, like the tubs. Money could be provided for plants up to £20.

Recreation— ROSPA (Royal Society for the Prevention of Accidents) reports back, mostly green,

Corfe - Issue with Corfe jump park, Handyman using soil from new house in Thorne Road to help repair. Gate quotes for Corfe given and accepted. Handyman to action.

Old School Close – didn't have opening! Sails are taken down before poor weather sets in. Grass will need cutting again next week. Quotes for a basket swing for Old School Close given – Council picked a metal one. – Handyman to action. Hopefully the delayed opening in the spring when swing in place.

Netheravon Parish Council

Millenium Park - Nest swing is getting lots of use. Cross Trainer not repaired. They say need a whole new bit. Also said why didn't we have service contract in place, after 5 years now wear and tear is starting to show. Full report to be sent. Handyman has an idea on how to repair the cross trainer, and has some work to do on the gym equipment from the ROSPA reports, Council asked if he could also maintain, lubricate, paint etc. Clerk to ask him.

Sovereign repairs to Trim Trail– only put in 5 months ago and already split along the bolt lines told clerk it was normal cracking of wood. Clerk wrote and said that the integration of the bolts had been compromised and it was a finger entrapment issue. Sovereign agreed to send some new posts which Handyman will put in. Probably after the winter. Awaiting delivery.

Court Farm Close/Old School Close Parks – ROSPA brought up some repairs needed due to wear and tear – Handyman added to list

Allotments – all ok

Community Allotment and Community Larder. Council once again thanked the Volunteers for their hard work – a volunteer from Safe Haven has cut round the orchard trees for us and the allotment volunteers have turned over the ground, with the last vegetables put in the larder. Safe Haven has advertised for some help with it again,

Phoenix Hall Chairperson report September 26

Cllr S Perry reported that they have not had any volunteers come forward to help on the Committee or take up the Chair post. At the moment he is doing both the Chair and the Treasurers post, which he cannot continue. He has streamlined the Treasurers post now and it is a lot less work. He wanted to thank Cllr P Perry and Cllr Brown for all their hard work assisting him lately, their help was really appreciated. He stated that they definitely needed more volunteers from the public, and that the hall was in good standing

The hall now has bookings for most days and as always are grateful for the support of their regular hirers and said they are advertising in the newsletter.

Cllr S Perry thanked two local children who helped pull up all the weeds from the patio which was appreciated.

All Saints School liaison – Cllr Bridewell said that he had a meeting that day at the school and could confirm that the choir will sing at Cheerful Cuppa on the 5th Nov. – It was pointed out that the 5th is a Thursday, so he will go back and check – potentially 3rd? It was raised about the idea of Cheerful cuppa to provide books for every child in the school, and they have asked if the Council can give a donation too. Cllr Bridewell to go and price up and come back to us with actual costs. It was stated that it would be a good time to give them out at the Christmas tree lighting up evening. Cllr Bridewell said that the school had ordered the Wreath for Remembrance and was planning on putting crosses on the war graves. Not sure of date yet, but beginning of November. Clerk said she had reminded Royal British Legion representative of request for more poppy crosses, and they said they were putting in their order this week

GENERAL PARISH MATTERS –

Cllr Coslett asked about arranging for a working party to put the poppies up, it was agreed to go for Saturday 31st October at 0900 outside the library.

Date of next meeting: Thursday 12th November 1900 hours at the Phoenix Hall.

Fittleton cum Haxton Parish Council

The recent meeting of Fittleton cum Haxton Parish Council took place at Phoenix Hall Netheravon on the 15th September.

It was agreed that the Parish would apply for the installation of horse rider warning signs through Fittleton and would commit to providing the required 30% match funding contribution. The aim is to encourage drivers to adhere to the 30 mph speed limit and lower speeds where appropriate, following concerns that vehicles are exceeding the speed limit in the area.

A sum of £300 has been allocated towards the cost of the booking clerk for the Phoenix Hall. This funding is intended to help ensure that the hall can continue to operate and money raised can be put back into improvements to the hall.

A change has been made to the Financial Standing Orders to allow the Clerk to purchase replacement defibrillator pads and batteries between meetings, as required. This will help ensure that the defibrillators remain operational at all times.

Paul Cranch has stepped down from his role on the Parish Council. We would like to take this opportunity to thank him for his many years of service and dedication to the village, both as a Councillor, Vice Chair and Chair.

Victoria Jago has also stepped down from her position as a Parish Councillor. We extend our sincere thanks to her for her time, commitment and contribution to the village and the local community.

Following these resignations, there are currently three vacancies on the Parish Council, including the positions of Chair and Vice Chair. If you are interested in helping to shape the future of our community and would like to become involved, please do get in touch. New members are always welcome, and no previous experience is required.

Fittleton cum Haxton Parish Council's next meeting is on 10th November at 7.00, at Phoenix Hall Netheravon. Everyone is welcome to come to the meeting. If you have any questions, please send them, in advance to clerk@fittletoncumhaxton.co.uk

If you would like to catch up with all things regarding Fittleton cum Haxton Parish Council, the website address is <https://www.fittletoncumhaxton.co.uk>. Don't forget that you can also keep up with information by checking out the parish notice boards. There is one opposite The Pound, Haxton, near the junction with Lower Street. The other notice board is near church path, Fittleton, on the wall of Fittleton Manor.

Laura Turner
Clerk Fittleton Cum Haxton Parish Council

Remembering HMS Fittleton 20th September 2026

On 20th September 1976 HMS Fittleton, a Royal Navy Ton-class Minesweeper, was on manoeuvres in the North Sea when she was in collision with HMS Mermaid a much larger vessel. 12 sailors tragically lost their lives in the incident, most trapped below deck when the ship turned turtle. Not all those lost were recovered.

Over the years following, survivors and relatives of those who died have regularly come together at All Saints Church Fittleton on the Sunday nearest the anniversary to remember those who died, those scarred by the disaster and those who grieve for those they loved.

There is a memorial stone in the naval church of St Martin in the Fields in London and a memorial window in HMS President, the Royal Naval Reserve shore base. During 2023 funds were raised by Fittleton PCC, by the local community and by the three naval associations with connections to HMS Fittleton for a permanent memorial in the church of All Saints Fittleton cum Haxton. A beautiful plaque, inscribed with the names of those lost, was made by the stonemasons of Salisbury Cathedral and was dedicated by the Bishop of Salisbury on 17th September 2023. It is on the wall beneath the window facing the entrance door of the church and can be visited at any time in daylight hours.

The Service this year marking the 50th anniversary of the loss was held on 20th September at 3.30pm, the exact date and time of the tragedy. Prayers were said and a survivor, Colin Hurley, recounted his memory of the day. Wreaths were laid at the foot of the memorial, the Tidworth Military Wives choir sang and there was tea in the Phoenix Hall for all those who came from far and wide. Survivors and families are growing old but the memories remain and the village will continue to honour its connection with HMS Fittleton.

The Bayeux Tapestry

This is very topical just now because of the exhibition at the British Museum. It is in fact an embroidery, believed to have been created shortly after 1066 by women in Canterbury and then taken to Bayeux cathedral in Normandy. Telling the story of the conquest from a largely Norman perspective, there is much of interest to be learned in the detail. In its borders, above and below the main illustrations, the embroiderers have indulged their imaginations: bodies are strewn during the fighting, some decapitated, there are people at work ploughing, archers, fallen horses and some rather lewd images too. Above all though there are many imaginary beasts and birds.

So here are our own “fantastical beasts and where to find them”.

The great Norman doorway inserted into the Saxon tower of Netheravon church has them. Go and see.

PHOENIX HALL NETHERAVON

The year end seems to be fast approaching and notwithstanding that we had our AGM in the Summer when we looked back over the year now is the time to look forward.

At the last Netheravon Parish Council meeting the Chairman, Steve Perry, outlined the pre-booking statistics for 2027 and we are glad to say that the hall is continuing to be booked and used by the village groups and societies as much as 2026. That keeps us on a solid financial footing in these difficult times.

On the subject though of difficult times, over the past months we have unfortunately lost 3 key members of our management committee for a variety of reasons. The management committee should comprise primarily of a Chair, Vice Chair, Secretary and Treasurer, together with representatives of Netheravon Parish, Fittleton / Haxton Parish and user groups.

As it stands we only have representatives for the Art Group and Cheerful Cuppa despite the wide variety of groups who regularly book the hall. We would dearly like to welcome additional members to the committee to help us meet your individual and wider needs.

Additionally, and with deep regret, we have recently been advised that our stalwart treasurer Nigel Jackaman passed away after a short illness. Nigel was an enormous asset to the committee and will be missed by all who knew him. This does of course though also mean that we have a role to fill. As a stop gap measure the Chair has been also taking on this position, but this is not tenable as a long term solution.

We are a small charitable organisation who meet just 4 times a year for approximately an hour and a half each session. I am reminded of a song lyric that as part of the chorus goes " You can't have something for nothing". Unless we can attract more members to the group to help manage the running of the hall then over time, and at present that means the short term, we will have a real problem in maintaining effective management.

Therefore I ask that if ANYONE can give just a little of their time in any capacity (Parish representative, User Group Representative, Chair, Vice Chair or Treasurer) or if you simply need to know a little more about what the roles require - and they really are not too onerous - then please contact the below.

This is really important. Don't sit back and think someone else will come forward or I would not have enough expertise. Everyone can play a part in keeping the hall open and running.

We look forward to hearing from you.

Alan Brown (Secretary) gonzo151159@gmail.com 07990813989

Steve Perry (Chair) hops613@btinternet.com 07774718106

Book Your Event at the Phoenix Hall!

For a more private event we have a smaller venue which can hold up to 16 people. If you have a larger event or special occasion coming up we'd love to help you make it happen! We are urging residents to take extra measures to keep their properties safe following a number of burglaries across south Wiltshire.

The break-ins took place between 8 and 11 October in the Amesbury, Tidworth and Salisbury areas.

Officers are carrying out additional patrols in the affected areas to provide reassurance, speak with residents and gather information as part of the ongoing investigations.

Inspector Gavin Brewster said: "Burglary is a horrendous crime. Not only do offenders steal people's belongings, but they can leave a lasting emotional impact on victims, who are left knowing someone has entered their home and invaded what should be their safe space."

"Prior to these incidents in south Wiltshire, there were a number of similar offences reported over the border in Hampshire. While we cannot say at this stage whether the incidents are linked, we are keeping an open mind and exploring all lines of enquiry.

"We are urging residents to consider what additional measures they can take to protect their homes and to report any suspicious activity to us through our website, or by calling 999 in an emergency."

You can report through our website: [Report | Wiltshire Police](#)

☕ What's On at Furnie's Coffee Shop? ☕

There's always something happening at **Furnie's Coffee Shop!** Whether you fancy a friendly catch-up, meeting new people, or joining one of our lovely community activities, there's something for everyone. We look forward to welcoming you!

Starting from November:

📅 Our Weekly Activities

🎲 Mondays – Games Afternoon | 2pm

Come along for an afternoon of fun, friendly competition and good company. A great way to meet new people and enjoy a relaxed afternoon together.

👶 Tuesdays – Rhyme Time | 10–10:30am

Bring your little ones along for a fun, inclusive session filled with rhymes and smiles! **Free babychinos** for the children.

📖 Tuesdays – Book Club | 6:30–7:30pm

Love a good book? Come and share your thoughts, discover new reads and enjoy a friendly chat. **Everyone is welcome!**

🧶 Wednesdays – Knit & Natter | 10am–12:30pm

Bring along your knitting or crochet and enjoy a relaxed morning of crafting, conversation and friendship.

Thursdays – Closed

📅 Upcoming Events

15 November – Sip & Paint | 2–4pm

Get creative, relax and enjoy an afternoon of painting! Spaces are limited, so please book in advance if you're interested.

28 November – Christmas Wreath Making | 6:30–9pm

Get into the festive spirit and create your own beautiful Christmas wreath. Booking is essential, so please get in touch to reserve your place.

💖 Your friendly, family-run village café

At Furnie's, it's about more than just great coffee and homemade cakes — it's about bringing our community together.

We look forward to seeing you soon!

Feeling stressed, overwhelmed, or out of sync? Discover the calming power of crystal healing - a gentle, holistic practice that uses natural crystals to promote emotional, physical, and spiritual wellbeing.

Benefits of Crystal Healing:

- ❖ Reduces stress and anxiety
- ❖ Encourages emotional balance
- ❖ Boosts clarity and focus
- ❖ Supports relaxation and better sleep
- ❖ Helps align your energy and chakras

What to Expect:

During a session, carefully selected crystals are placed on or around your body to help restore harmony and positive energy flow. It's a deeply relaxing experience designed to leave you feeling refreshed, grounded, and renewed.

I am currently offering free healing sessions during my second year of training for this incredible holistic therapy. If you would like a session, please call or message me and I will book you in. A session usually lasts about 20 to 30 minutes.

Contact: Diana on 07969 666871.

Visit our Website

Avon Motor Company

has been set up by Mark Francis after more than 35 years buying and selling cars in the Salisbury area. Having been employed to run a busy used car dealer locally for the last 26 years, the time came to set up on his own using the experience and customer goodwill he has gained over this time.

Avon Motor Company are based on Bulford Road in Durrington, close to both Salisbury and Andover, a few minutes off the A303 and very near to the army camps in Bulford, Larkhill and Tidworth. Based on a site owned by

Rangers Garage, a very long established family run business and with car preparation and MOT testing carried out through their workshops, Avon Motor Company are able to offer first class preparation and after sales backup.

All our cars come serviced prior and include a 12 month MOT certificate, 12 month AA breakdown cover along with a 6 month AA warranty which allows authorised repairs to be undertaken nationwide, giving our customers the confidence that should the unexpected happen, issues can be dealt with in a professional manner.

Warranty extensions are also available.

We are able to offer car finance through our website or in person from selected lenders including Motonovo finance and Close Brothers.

Please feel free to contact us if you have a specific requirement for your next car as we may well be able to source exactly what you are looking for.

We have years of experience in selling quality used cars and have a great local reputation.

WELCOME TO

AVON MOTOR COMPANY

Discover your perfect car - from your first ride to the ideal family vehicle - we've got you covered!
